Dear Doctor DuBois:

After having read and considered carefully the abstract from the memorandum adopted by the Board of Directors of the Encyclopaedia of the Negro, I agree that such a work should be done.

I should be glad to contribute a short article on either one of the following subjects; namely,

1. Medical Education of the Negroes in the United States since the Civil War,

I shall be glad to cooperate in any way possible with this enterprise and will be pleased to be informed from time to time as to its progress.

Very truly yours,

K. P. Adams
