Dear Sister

I suppose you are anxious about that Key that I was to get you and so I will write you a few lines.

They told me in Boston that the Key was not yet published so I could not get one of course.

I reached here safely, but did not have much time in Boston.

I had a good time Christmas. Went to Prof. Peabody's in the evening to a candy pull.

How did you busy yourself on that day?

There is over a foot of snow here now on a level. Was no more when I got here than there was in S. S.

Bague got back here the day after Christmas.

We are busy closing up our books inventorying our stock etc.

Shall be able to tell in a few days how much we have made.

How do you get along in Book keeping?

With much love
Brother Will.
